

## TOWN OF BRUDERHEIM & DOGS

Dogs are wonderful. They give us love and companionship and listen to us when no one else will. All they ask for in return is care, attention and love.

Many pet owners walk their dogs in the Town of Bruderheim parks. That's great! Is there a better way to enjoy a family pet? It's terrific exercise, a unique way to meet people and a super opportunity to enjoy the scenery.

Remember, the parks belong to everybody, pet owners and non-pet owners alike. People without a household dog also enjoy parks in many ways and want to pursue their recreation in a clean and safe park.
