Bruderheim Preschool News

Welcome to another year of preschool. My name is Ms. Cynthia and this is my fifth year of teaching preschool. My program is based on a learning through

play atmosphere. I have worked with children my entire life and have a diploma in Early Childhood Development from Grant MacEwan College.

My program runs Tuesday and Thursday from the first of October to the end of May. We are located in the school which helps enhance my program as we have access to the library and the gymnasium and other school related activities. My classroom is enhanced with many different centres that encourage learning through play. Every month a new theme is introduced and the centres are added too so that they can explore the new theme in a variety of centres.

If you have a child that is three or four years old and wants to come and have fun with other children and learn through play please feel free to call me at 780-796-0008.

Dates to remember and mark on your calendar include registration September 9th at What's Up in Bruderheim from 6:30 – 8:30 at the Community Centre. General meeting Monday, September 13th @ 7:00pm in the preschool room. Come to the side door of the school to be let in!! Plan to attend this meeting, as many decisions will be made this night. Items on the agenda include splitting the class into a morning and afternoon class, toy cleaning dates and upcoming fieldtrip to Prairie Gardens.

We will also be voting in a new executive so mark your calendar so you can have a say in your child's preschool experience. I hope to get to know your child and your family well over the next year. See ya soon!!
