Description of areas needing snow removal:

- Front walkway
- Driveway
- Other

For Office Use Only:

Assigned to:

Start Date:

Finish Date:

INFORMATION SHEET FOR SENIORS **SNOW REMOVAL PROGRAM**

The purpose of this program is to help connect seniors with local volunteers willing to help with snow removal during the winter months.

The Town of Bruderheim (Family and Community Support Services) staff recruits and screens volunteers for this program. We will do our best to match you with a volunteer as soon as possible **however we cannot guarantee the availability of a volunteer.** You will be notified by an FCSS staff member once your home has been assigned to a volunteer or volunteer group.

The volunteer will only be given the street address and information on the snow removal needed as provided on your registration form. They will not be given any further personal information.

Once you have been assigned a volunteer, he or she will clear snow at your home within 48 hours after a major snowfall.

Volunteers will provide their own snow removal equipment.

All snow removal program volunteers will be recognized at our annual Volunteer Appreciation Night in April 2011.

FCSS will only release the first name of a volunteer and/or the name of the volunteer group that has been assigned to your home. **If you have any questions or concerns about the service provided, please contact Jodi Brown (Community Services Director) at 780-796-3731.**
