Kindergarten Registration Now Open! Spaces available!

Is your child turning five on or before Dec. 31, 2025? If so, it's time to register for kindergarten. Starting school is an exciting time, for both children and parents. Although exciting, it can also be daunting if you don't have the information you need. To help, Elk Island Public Schools has put together an online toolkit to make the transition as smooth as possible for families.

STORMWATER MANAGEMENT

The Town of Bruderheim's stormwater management system gathers rainfall and surface water runoff to help reduce flooding. Take these important steps to protect your property from potential drainage / safety issues:

- Check your culverts and open up any blockages.
- Clear debris out of eavestroughs.
- Point downspouts away from your home.
- Ensure sump pumps and weeping tiles are working properly to encourage proper drainage from your property.
- If you see frozen storm drains or immediate threat of flooding to homes, businesses or roadways, please contact the Town Office at 780-796-3731.
